

Dear member

Wellington Soldiers Club is undertaking an update of its strategic plan and as a part of this we are conducting a member survey so we get your thoughts on how we may improve the club.

The survey should take you no longer than 7 minutes. Your privacy is assured, and we will not share your contact details with any other parties.

Upon completion of the survey, you may also enter a lucky draw to win one of 1 of 10 \$50 vouchers to be spent at the club.

To enter the survey, please click on this link:
